MAY 28 1997

Alan Kramer, Treasurer
Wisconsin Right to Life
Political Action Committee

Identification Number: C00173278

Reference: 12 Day Pre-General Report (10/1/96-10/16/96)

Dear Mr. Kramer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please provide the total(s) for Line 21(c), Columns A and B of the Detailed Summary Page. Note that changes in your figures may affect your Column B totals on this report and/or on subsequent reports.

-The totals listed on Lines 17, 19 and 20, Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Schedule D of your report has failed to include certain information. Commission Regulations require the full name and mailing address of each creditor, the outstanding balance at the beginning and end of the reporting period, the amount incurred during the period, the payment made during the period, and the nature or purpose of each debt. Additionally, all debts must be reported continuously until extinguished or settled. Please amend your report by providing the full name and address of each creditor and purpose of each debt. 11 CFR §104.11

-Please amend your Schedule E to include memo entries to show the allocation of independent expenditures when the communication concerns more than one federal candidate. (see enclosure)

-2 U.S.C. §434(b)(3) requires itemization of contributions from individuals and persons other than political committees, where the aggregate total from the contributor exceeds \$200 in a calendar year. In addition, 11 CFR §104.3(a)(2)(i)(B) requires a committee to report the total amount of unitemized contributions (see Line 11(a)(ii) of the Detailed Summary Page). If a committee wishes to disclose contributions regardless of the amount contributed, the committee must separate (on separate receipt schedules) those contributors requiring itemization from those who are not required to be itemized. 11 CFR §104.3(a)(4)(i) For future filings, please submit your reports in this order.

-Be advised that you have used an incorrect committee identification number on the Summary Page of your report(s). Please file all future reports and correspondence using your correct identification number, C00173278, to avoid potential errors in entering your reports onto the public record.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

A handwritten signature in dark ink, appearing to read "Neil A. Evans", with a stylized flourish at the end.

7. Independent Expenditures

Enter the total of itemized and unitemized independent expenditures on Line (c) of Schedule E and on Line 24 of the Detailed Summary Page.

The SSF must file a special notice when it makes an independent expenditure of more than \$1,000 (by itself or aggregated with other independent expenditures made to the same payee) after the 20th day but more than 24 hours before the day of an election. The notice must be received by the filing office within 24 hours after the expenditure is made (see "Federal Filing" on page 28). The notice must include all the information required on Schedule E. The SSF must report the last-minute expenditure a second time on Schedule E, filed with its next regular report. 104.4(a).

Continuously itemize all loans received and made by the SSF until they are repaid. All repayments made or received on a loan must also be itemized.

Reminder: Loans are considered contributions to the extent of the outstanding balance of the loan. 100.7(a)(1)(i). Loans from banks, however, are not considered contributions if made in the ordinary course of business. Endorsements and guarantees of bank loans, however, do count as contributions. 100.7(a)(1)(i) and (b)(11).
